## Welcome!!

If you haven't done so already, please visit my shop

[ReVe Design Co](#), where the best of my patterns are available to browse and order.

## Some NOTES before we start:

- US crochet terms are used throughout
- The Dreamy Tracks Cowl is a customisable circle scarf that provides many styling options, and can be made to any width or length desired.
- Starting at the top hem, you work in rows, creating a functional button flap in a band. You'll then join your scarf into a circle and work in rounds until you get to the bottom band. This band is also worked in rows, enabling the creation of a second button hole and flap
- Back Loop crochet stitches are used to create the texture. You can choose to work plain/normal single crochet stitches. Your result will be different to mine, yet still effective.

## You will need....

Approx. 220m DK weight yarn – almost any will do!

5.5mm Crochet Hook

2 buttons 1"/2.5cm wide

Yarn needle

(Optional) Stitch marker to mark the start of each round

**Gauge:** Approx 7 sts and 6 rows in hdc in 5cm(2")<sup>2</sup>

## US Techniques/abbreviations required:

Foundation Half Double Crochet (fhdc) OR you can do a starting chain and work hdc into it.	Back Loop Single Crochet (blsc) – work the single crochet into the back loop only
Single Crochet (sc)	3-Double Crochet Cluster (3-dc cluster) – work 3 double crochet into the same stitch
Double Crochet (dc)	Turning Chain (tch) – NOT counted as a stitch
Half Double Crochet (hdc)	Slip Stitch (slst)
Chain (ch)
